

An Analysis Of The Green Lane Masjid Congregation Survey 2020

Presented by Humayun Saleem

Why do the survey?

- 1) Your congregation wants to know that you are listening
- 2) The data will give you an indication of what's on your congregation's mind
- 3) Acting upon the results will ensure your work is aligned to the needs of your congregation

Creating the Survey

1) Use an online platform like Smart Survey

Ask questions related to...

1) your core religious activities

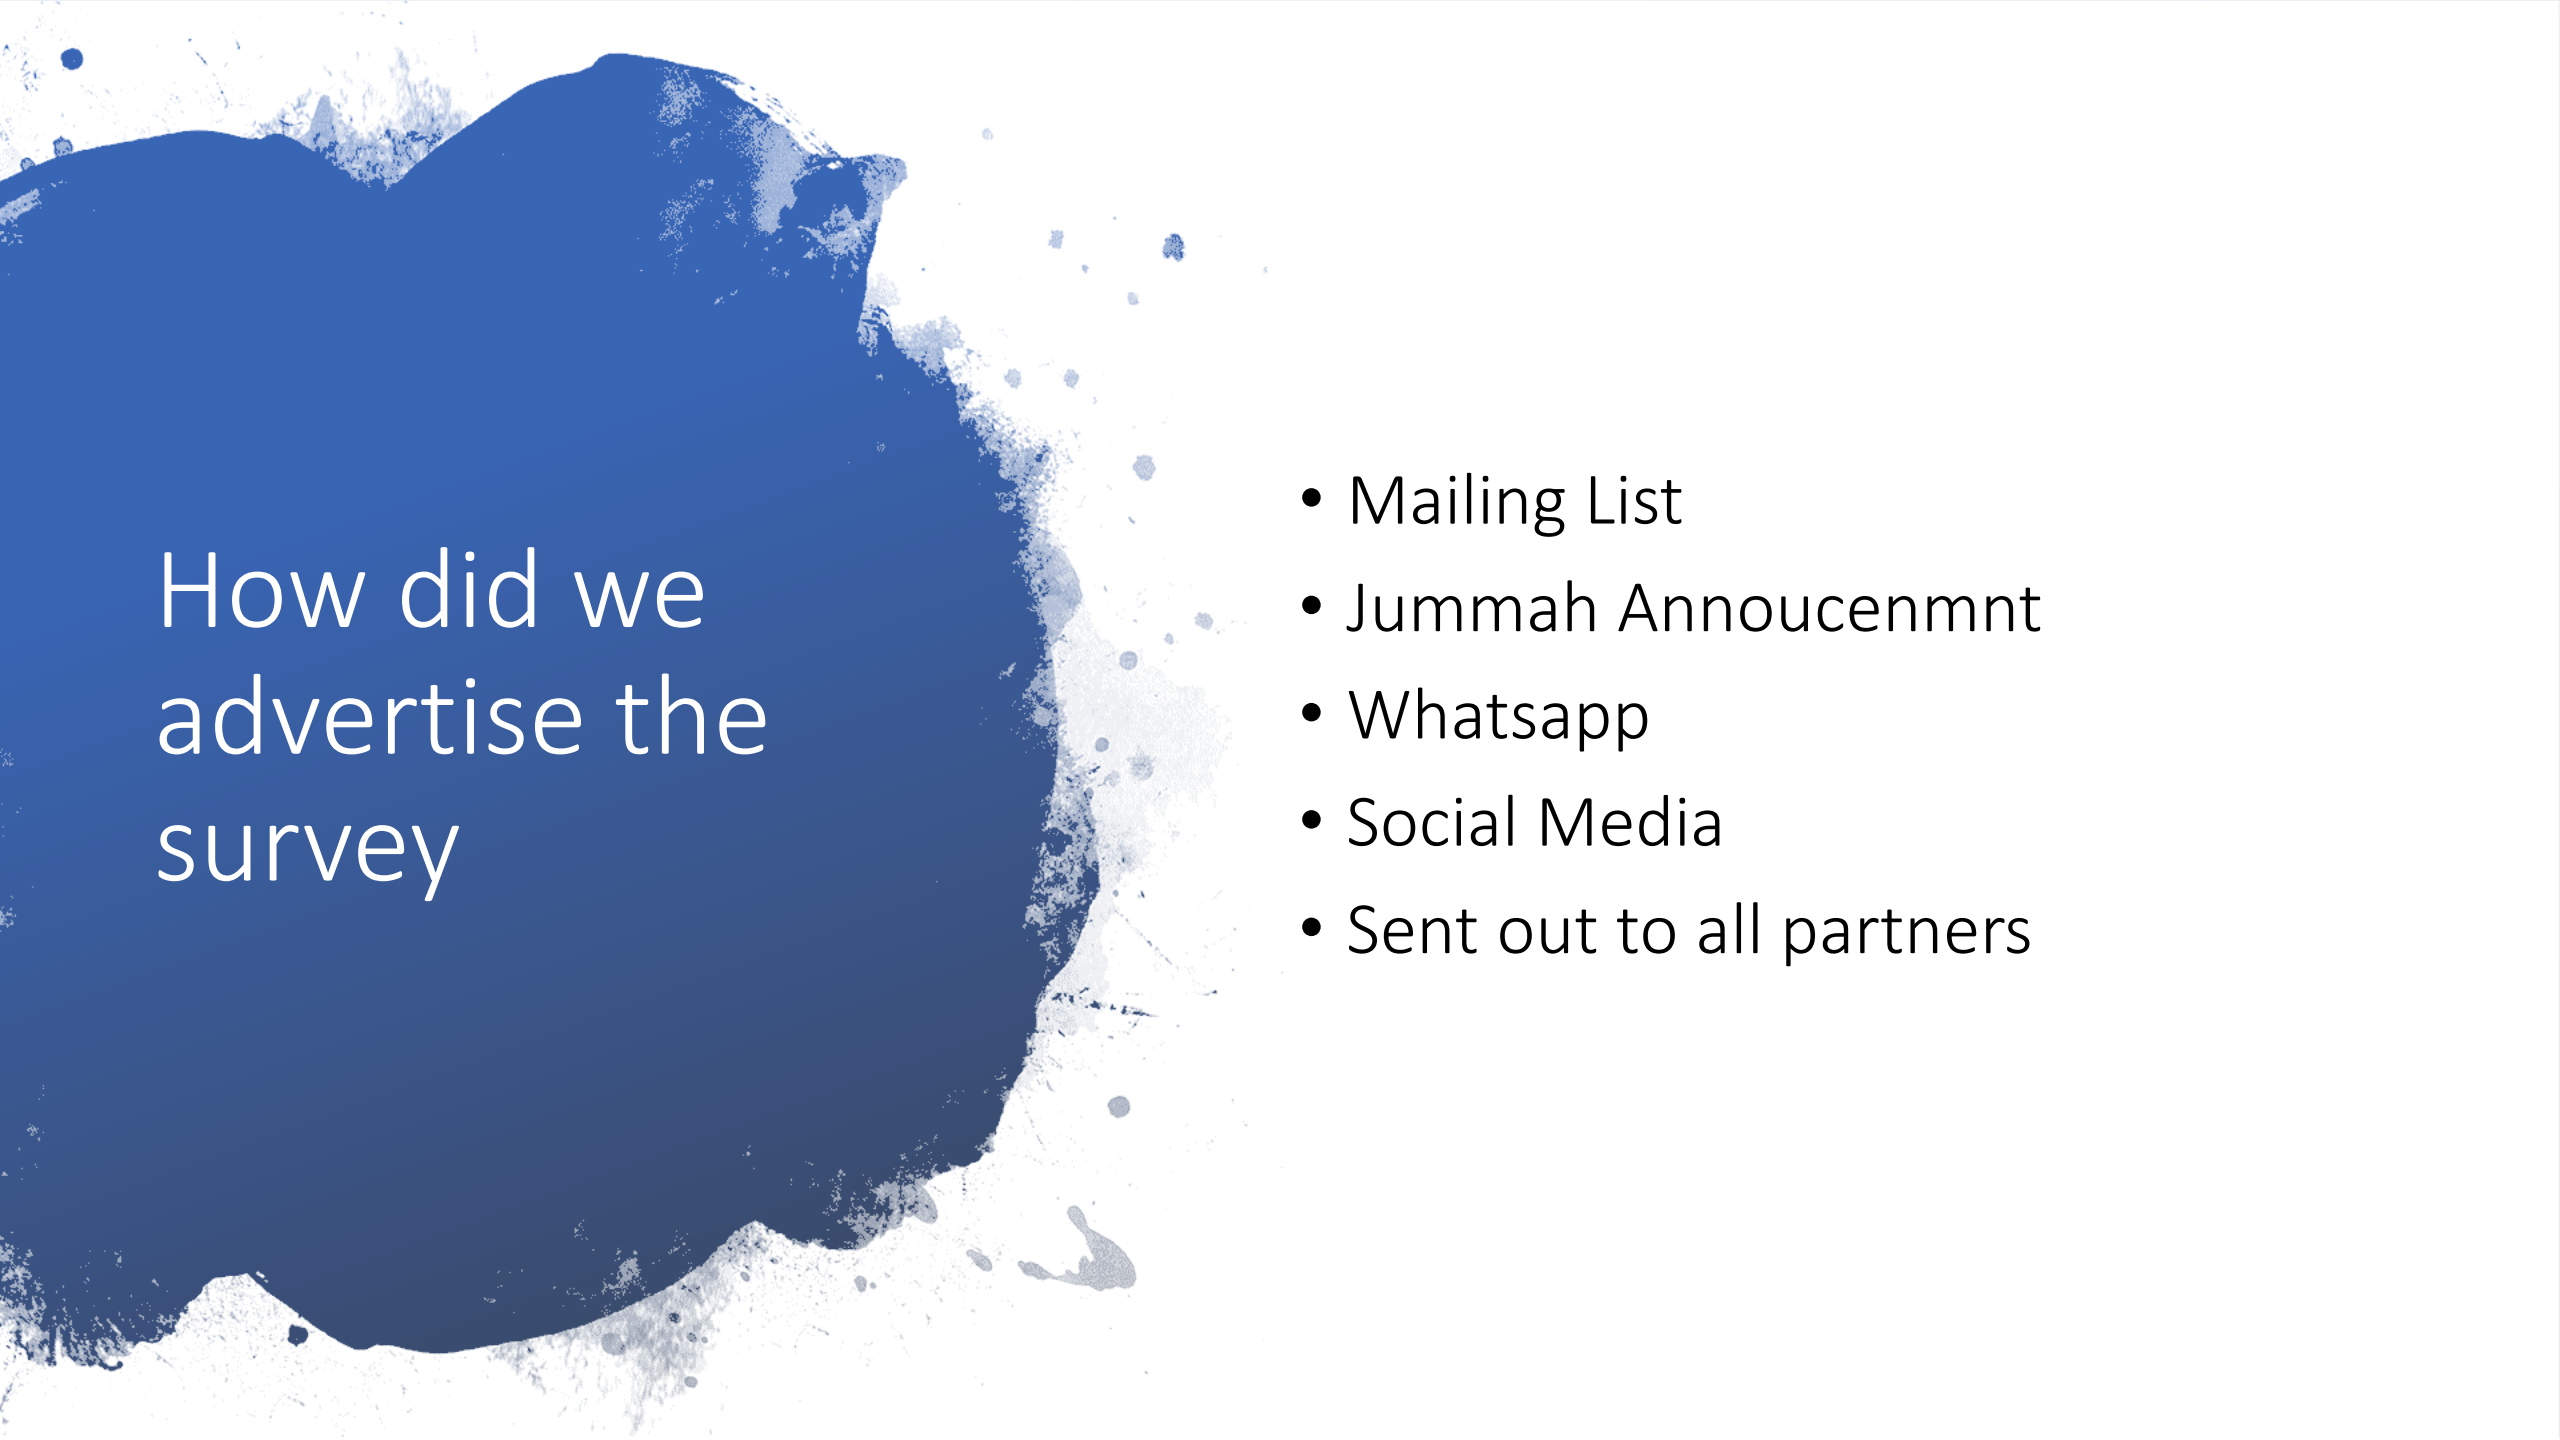

2) sisters services

3) youth services

4) how do people perceive the management

5) how much do people trust your masjid

How did we advertise the survey

- Mailing List
- Jummah Annoucenmnt
- Whatsapp
- Social Media
- Sent out to all partners

Analysing the Results

- 1) Use the graph functionality provided by the platform
- 2) Arrange a meeting with the relevant stakeholders
- 3) Discuss the results and produce improvement points
- 4) Use results to praise staff and departments

Presenting learnings

1) Produce a report to give to the congregation

2) Show how learnings are being implemented in the following months
